

CLINICAL BIOFEEDBACK AND HEALTH. AN INTERNATIONAL JOURNAL

Index to Volume 8

- Abraham, Deborah. *See* Wittmeyer, I. W.
 Alfonso, Maria-Paz. *See* Burke, E. J.
 Andrasik, Frank. *See* Attanasio, V.
 Announcements 99
 Attanasio, Virginia, Andrasik, Frank, Burke, Edmund J., Blake, Dudley D., Kabela, Elise, and McCarran, Meredith S. Clinical Issues in Utilizing Biofeedback with Children 134
 Biedermann, Heinz-Joachim, and Monga, Trilok N. Relaxation Oriented EMG Biofeedback with Back Pain Patients: Evaluation of Paraspinal Muscle Activity 119
 Blake, Dudley D. *See* Attanasio, V.
 Blanchard, Edward B. *See* Burke, E. J.
 Book Reviews 93
 Brown, Barbara B. On the Nature of Biofeedback: Exercises in Concept Generation 142
 Bryson-Brockmann, William A. *See* Kelso H. G.
 Burke, Edmund J., Hickling, Edward J., Alfonso, Maria-Paz, and Blanchard, Edward B. The Adjunctive Use of Biofeedback and Relaxation in the Treatment of Severe Rheumatoid Arthritis: A Preliminary Investigation 28
 Burke, Edmund J. *See* Attanasio, V.
 Cram, Jeffrey R., and Freeman, Charles W. Specificity in EMG Biofeedback Treatment of Chronic Pain Patients 101
 DeLeon, Patrick H. Clinical Biofeedback: Present and Future 3
 Franzen, Michael D. *See* Guck, T. P.
 Freeman, Charles W. *See* Cram, J. R.
 Furedy, John J. Specific vs. Placebo Effects in Biofeedback: Science-based vs. Snake-oil Behavioral Medicine 155
 Guck, Thomas P., Franzen, Michael D., and Kreuch, Tony. Reliability of a Psychophysiological Stress Profile 124
 Guthrie, Diana. The Use of Short Term Concentrated Biofeedback of Hospitalized Patients with Diabetes Mellitus 14
 Harver, Andrew, and Kotses, Harry. Spacing of Training and Resistance to Extinction in Frontal EMG Conditioning 22
 Hazelton, J. Edward. The Purpose and Relevance of Nonclinical Biofeedback Relaxation and the Alexander Principle 52
 Hickling, Edward J. *See* Burke E. J.
 Kabela, Elise. *See* Attanasio, V.
 Kao, Pai C. *See* Peniston, E. G.
 Kelso, Harold G., and Bryson-Brockmann, William A. Peripheral Temperature Control Using Biofeedback and Autogenic Training: A Comparison Study 37
 Kotses, Harry. *See* Harver, A.
 Kreuch, Tony. *See* Guck, T. P.
 McCarran, Meredith S. *See* Attanasio, V.
 Monga, Trilok N. *See* Biedermann H.-J.
 Pasternak, Joseph F. *See* Rozenky, R. H.
 Peniston, Eugene G., and Kao, Pai C. The Role of Biofeedback-Assisted Relaxation Training in Muscle Tension and Analgesia 163
 Proceedings of the Eighth Annual Meeting of the American Association of Biofeedback Clinicians, August 19-23, 1984 68
 Rozenky, Ronald H., and Pasternak, Joseph F. Obi-Wan Kenobi, "The Force," and the Art of Biofeedback: A Headache Treatment for Overachieving Young Boys 9
 Tobin, David J. Relaxation Training: Guidelines for the Biofeedback Clinicians 45
 Wittmeyer, Ivy W., and Abraham, Deborah. A Call for a New Protocol in Clinical Biofeedback: The Integration of Upper-Torso EMG Training into a Behavior Change Program 109
